

**BOROUGH OF WASHINGTON, WARREN COUNTY, NEW JERSEY
WASHINGTON BOROUGH COUNCIL MINUTES – August 15, 2006**

The Regular Meeting of the Borough Council of Washington, Warren County, New Jersey was held in the Council Chambers of Borough Hall at 8:00 P.M.

Roll Call: Van Deursen, Woykowski, Turner, Buoye, and Glaser – Present.
Housel – 8:50 p.m. Oakley - Absent

Also Present: Richard J. Sheola, Borough Manager
Richard P. Cushing, Esq., Borough Attorney
Robert Miller, C.M.E., Borough Engineer
Kristine D. Blanchard, RMC, Borough Clerk

The flag salute was led by Mayor Van Deursen.

Mayor Van Deursen read the following Statement into the Record:

“The requirements of the ‘Open Public Meetings Law of 1975, Chapter 231 have been satisfied in that adequate notice of this meeting has been published in the Star Gazette and posted on the Bulletin Board of Borough Hall stating the time, place and purpose of the meeting as required by law.

COUNCIL APPEARANCE:

Kevin Shoudt WWTP (Sewer Plant)

Mr. Shoudt reported that currently the sewer plant has treated 162 million gallons so far this year. The sewer plant is well under permit and has no violations in 2005 and 2006.

Mr. Shoudt also reported that the new billing software will be in place by September or October of 2006. This new software will give more access to the Borough in order to check account balances immediately.

The new maintenance software is already in place to better track all of the maintenance work at the plant.

Mr. Shoudt said this October will mark eight years with no lost time and no recordable accidents. Safety and process control meetings are held weekly and continuing education and quarterly training classes for operators are mandatory.

Mr. Shoudt stated there have been sixteen sewer backup call outs for the year, and routine sewer cleaning of problem areas are done monthly. Port Colden Mall has had order complaints and as a result, the pumping station needs to be cleaned every three months. There is also a problem with the Pershing Avenue pumping station. Mr. Shoudt explained they are also working with the developer from Carlton Homes to resolve items on the punch list.

Councilman Turner asked Mr. Shoudt when the Pershing Avenue problem will be resolved. Mr. Shoudt explained they are waiting to hear back from the contractor. After a brief discussion, it was determined that the Borough will wait two weeks before stepping in and replace the pump.

Councilman Buoye noted that the daily max flow is 2.3 million, and asked what the maximum daily max flow allowable would be. Mr. Shoudt stated that the maximum daily flow would be 3 m.d.g.

Councilwoman Glaser asked if the new billing software would automatically upload to the General Ledger. Manager Sheola explained that it would upload automatically. The Borough will also run a parallel system through the end of the year to check the validity of the data. Five years of data will be converted to the new software. The new system will be a web based system for the Borough and information will be updated nightly from Veolia in Pittsburgh, PA.

Manager Sheola said that the implementation procedures have been reviewed with Veolia and First Byte.

Manager Sheola also stated that Kevin Shoudt was instrumental in obtaining the maintenance software that the Department of Public Works will be using and has offered to train that department on the new software as well.

Mayor Van Deursen thanked Mr. Shoudt for his hard work.

AUDIENCE:

Mayor Van Deursen entertained remarks from the audience on items that do not appear on the meeting agenda.

Janet Bukosky 254 East Washington Ave. - Ms. Bukosky stated that she had spoken with the Zoning Officer and Manager Sheola in reference to the property at 258 East Washington Avenue. Ms. Bukosky's main concerns over this property are safety, and a health concern regarding a rodent problem that she reported to the Board of Health. As far as safety, the front porch of the home is in terrible shape and pictures have been given to the Zoning Officer. There is a huge bush of poison ivy growing in the front of the property and Ms. Bukosky is severally allergic. She explained that she has missed three days of work due to the severity of her reaction. Ms. Bukosky requested that the poison ivy be taken care of at 258 East Washington Ave.

Manager Sheola responded that the best way to take care of the poison ivy brush would be to hire someone to remove it.

Ms. Bukosky also pointed out that the adjacent town homes that are for sale will never sell with this property in such terrible condition; which is detrimental to the community.

Councilwoman Glaser asked if the house is occupied. Ms. Bukosky stated the house is abandoned.

Attorney Cushing advised Manager Sheola to send the homeowner and lien holder a certified letter explaining the situation and advising the homeowner and lien holder of the costs associated with removal of the poison ivy.

Councilwoman Glaser asked if there is something that can be done to prevent the porch from collapsing. Attorney Cushing stated that the determination as to whether a building has sufficient code violations is done by the Construction Code Enforcement Officials. The Construction Code Enforcement Officials have certain rights to declare a building un-safe and the Borough also has an un-safe Building Ordinance that will give additional leverage however; the Construction Code Enforcement Officials must make the determination that there is a violation at the property. Attorney Cushing also stated that the Fire Code Officials should also be involved in the process.

At this time Councilman Turner made a motion to direct the Borough Manager to contact the necessary officials: Construction Code Official, Fire Inspector, and Health Inspector, in order for them to make the necessary assessments on the property at 258 East Washington Avenue. This should be done within the next two weeks. This motion was seconded by Councilwoman Woykowski.

Roll Call: Woykowski, Buoye, Glaser, Turner and Van Deursen.

Ayes: 5, Nays: 0

Motion Carried.

Linda Swackhamer 256 East Washington Avenue - Mrs. Swackhamer stated that she is the owner of the hair salon next to 258 East Washington Avenue. Her husband has had to cut the lawn on the property so that her clients can walk past to reach her store. She stated that she has been in business for eighteen years and is now afraid that she will begin to lose customers because of the property next to her store.

Kevin Patrick Turner 41 Grand Avenue - Mr. Turner stated he is appearing before Council about the issue with the damage to his car during the construction on Grand Avenue. Mr. Turner recently received a letter from the insurance company for the contractor stating that the claim had been denied due to late reporting. The insurance company also does not feel they are responsible for the damage that has occurred. Mr. Turner said that he did not report the claim late. He explained that he spoke with Manager Sheola when the incident occurred and was informed that the Borough Engineer would be inspecting the damage and take pictures of the apron of his driveway.

Attorney Cushing explained that there is a six year statute of limitations on reporting this type claim. He suggested that Mr. Turner file a claim in small claims court. Mr. Turner requested a copy of the report and the pictures that the Borough Engineer had taken at the time of the incident. Mr. Sheola told Mr. Turner to fill out an Open Public Records Act Request and the Borough will provide that information to him.

Mayor Van Deursen asked if Attorney Cushing could send a letter to the insurance carrier in support of Mr. Turner's claim. Attorney Cushing replied that he would write a letter to the insurance carrier and the contractor.

Ed. Little 80 South Lincoln Avenue - Mr. Little thanked the Borough Manager for the copy of the letter that was sent to the Railroad Company. Mr. Little inquired as to why the issue of the three way stop sign was not on the agenda for tonight's meeting. Borough Engineer, Bob Miller explained that he had been away for several weeks and has not had a chance to address the issue. Mr. Little said that Mayor Van Deursen's idea of a partial one way down South Lincoln is an excellent idea and should be considered by the Council. Borough Engineer, Bob Miller said he would need some time to study the area before he can make a recommendation about a partial one-way. Mr. Little asked why the curbing is not a viable option. Manager Sheola and Borough Engineer, Miller stated that it is railroad property and the railroad would probably not allow curbing.

Councilman Turner suggested placing Authorized Vehicle Only signs at the cut through. Councilwoman Glaser recommended discussing the situation with the railroad and talk to them about what our options are for preventing the use of the cut through permanently. Councilwoman Glaser also suggested placing temporary police barricades at the cut through as a temporary measure.

Mayor Van Deursen recommended giving the Borough Engineer some time to think about the possible solutions and address the problem again in the future.

Mr. Little commented that the sidewalks on South Lincoln Ave. are very uneven and are not fit for walking on. Borough Engineer, Robert Miller explained that those sidewalks were done approximately twenty-five years ago prior to the handicapped code being in place. Mr. Little asked if the Borough was planning on doing the sidewalks on South Lincoln Ave. Councilwoman Glaser that when road projects are scheduled, problems with the sidewalks and curbing would be addressed at that time.

Mr. Little asked if he was going to lose parking spaces in front of his house. Borough Engineer, Robert Miller said that if a three-way stop is put in on South Lincoln Avenue, one or maybe two of those parking spaces will need to be moved down the hill. Mr. Little asked if the parking ordinance for South Lincoln Avenue passed by the Borough was legal. Councilman Buoye asked if the Borough has heard back from the Department of Transportation on that issue. Borough Engineer, Robert Miller said he does not know the status.

Councilman Turner commented that there is an issue on North Prospect Street with regard to parking. Last year a resident complained that during football season people were parking across the street from her house. The No Parking signs that were there were rusted over and you couldn't read them. Those sign have been removed, but not replaced with new ones and the curb does not appear to be painted yellow on that side of the street. Councilman Turner said that the No Parking Ordinance would be hard to enforce without any signs on the street.

Manager Sheola will look into this situation.

Hearing no further remarks from the audience, it was moved by Glaser, seconded by Woykowski that the audience portion of the meeting be closed.

Ayes: 5, Nays: 0.
Motion carried.

ORDINANCES:

Ordinance #16-2006 – An Ordinance of the Borough of Washington Establishing Procedures for the Administration of Government and Amending Various Sections of the Borough Code. – Publication Approval

An Ordinance Establishing Procedures for the Administration of Government and Amending Various Sections of the Borough Code was introduced by Councilwoman Glaser.

It was further moved by Glaser, seconded by Housel that the Clerk read Ordinance #16-2006 by title only.

Roll Call: Woykowski, Housel, Buoye, Van Deursen, Glaser and Turner.

Ayes: 6, Nays: 0
Motion Carried

The Clerk read Ordinance #16-2006, “An Ordinance of the Borough of Washington Establishing Procedures for the Administration of Government and Amending Various Sections of the Borough Code.

Council Discussion:

Attorney Cushing stated under section 3-15 E where it reads, “*majority of Council elect.*” The word elect should be removed from that sentence.

Councilwoman Woykowski said that section 3-15 E should read, “*Ordinances may be adopted by the Council only by an affirmative vote by the majority of the Council by roll call vote.*” Council confirmed that section G should read, “*in a manner prescribed by law.*”

It was therefore moved by Glaser, seconded by Turner that Ordinance #16-2006 be approved on first reading with the changes noted.

Roll Call: Woykowski, Housel, Buoye, Turner, Glaser, and Van Deursen.

Ayes: 6, Nays
Motion Carried

It was further moved by Glaser, seconded by Turner that Ordinance #16-2006 be published in the Star Gazette on August 24, 2006 and that the public hearing be scheduled for September 19, 2006.

Roll Call: Woykowski, Housel, Buoye, Turner, Glaser, and Van Deursen.

REPORTS

It was moved by Glaser, seconded by Buoye that the Manager's Report, Clerk's Report, Highway Department Report, Trial Balance, Municipal Court Report, Fire Prevention, Collector/Treasurer Report, Recreation Finance, Veolia Water Operations, and the Admin & Exec. reports be accepted as presented and filed.

Roll Call: Woykowski, Turner, Buoye, Housel, Glaser, and Van Deursen.

Ayes: 6, Nays: 0

Motion Carried.

Discussion:

Mayor Van Deursen asked Manager Sheola if the Sales Ratio Study discussed on the manager's report will send up any type of red flag to the county. Manager Sheola explained that the sales studies were done for state purposes and were two year averages. The study shows that the sale prices are going up in comparison to the assessed values that are remaining the same.

Councilman Turner asked Manager Sheola where the price of \$1,800.00 came from for the Driveway Apron – Park Pavilion and how much are we paying a square foot. Manager Sheola stated the price came from an outside contractor and we are paying \$2.40 a square foot. Manager Sheola explained that he called three contractors and only one got back to him. When he factored in the cost of doing the job in-house it was cheaper to pay the \$1,800.00. Councilman Turner suggested that if we are not going to use the paving equipment that the Borough purchased we should sell them to the other towns. Manager Sheola explained that in this case, when factoring in the loss of productivity, it was cheaper to hire an outside contractor.

Councilman Turner asked if the \$1,800.00 for the park pavilion paving will be taken from the \$64,000.00 in credit from Youmans Ave and East Church Street. Manager Sheola said the \$1,800.00 will be taken from the credit of \$64,000.00. Councilman Turner asked if the \$55,000.00 change order for Youmans Avenue was in addition to the \$10,000.00 that the Borough came in under budget. Manager Sheola stated the \$55,000.00 included the under budget amount.

Councilwoman Woykowski asked what the plan of action is for the drainage ditch on Willow Street and who is responsible for taking out the permit from the DEP. Manager Sheola replied that the permit will be obtained by the Borough Engineer's office. As soon as the permit is obtained, the Borough will clean out the drainage ditch.

Councilman Housel inquired as to why the Borough can not change the configuration of the drainage ditch. Borough Engineer, Bob Miller stated that the Department of Environmental Protection will not allow the Borough make any changes however; he will discuss the issue with the DEP.

Councilman Turner asked Manager Sheola if the Department of Public Works could paint a crosswalk from North Jackson Avenue to the Municipal Parking Lot. Borough Engineer, Bob Miller will look into a crosswalk with the Department of Transportation.

VOUCHERS:

Mayor Van Deursen entertained additions or questions of the vouchers and claims for payment.

Hearing none it was moved by Glaser, seconded by Buoye that that the vouchers and claims be approved for payment in the amount of \$ 2,058,987.15 as reflected in the debit/credit memorandum on file in the Collector/Treasurer's office.

Roll Call: Woykowski, Glaser, Housel, Buoye, Turner, and Van Deursen.

Ayes: 6, Nays: 0.

Motion Carried.

Councilwoman Woykowski requested a copy of purchase order number 21909 and the corresponding voucher.

**A RESOLUTION OF THE BOROUGH OF
WASHINGTON REQUESTING APPROVAL OF AN
ITEM OF REVENUE AND APPROPRIATION
UNDER N.J.S.A. 40:4-87**

WHEREAS, N.J.S.A. 40A: 4-87 provides that the Director of the Division of Local Government Services may approve the insertion of any special item of revenue in the budget of any County or Municipality when such item shall have been made available by law and the amount thereof was not determined at the time of the Adoption of the

budget; and

WHEREAS, said Director may also approve the insertion of any item of appropriation for equal amount.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and Council of the Borough of Washington, in the County of Warren, State of New Jersey, hereby request the Director of Local Government Services with the Department of Community Affairs to approve the insertion of an item of revenue in the budget of the year 2006 in the sum of \$65,000.00 which item is now available as a revenue from the State of New Jersey, Department of Community Affairs, Office of Smart Growth.

BE IT FURTHER RESOLVED that the like sum of \$65,000.00 is hereby appropriated under the caption "Smart Growth Grant" Other Expenses outside the CAP.

RECAP

Manager Sheola stated that he will send a letter to the contractor in reference to Pershing Avenue. He will begin working on the list of items to take care of for the property at 258 East Washington Avenue. Manager Sheola will look into the issue of the No Parking signs missing from North Prospect Street. Manager Sheola will also obtain a copy of the purchase order and voucher that Councilwoman Woykowski requested.

COUNCIL REMARKS:

Councilwoman Glaser – None

Councilman Turner stated that with the money saved from Youmans Avenue and East Church Street he would like to see the parking lot paved at the pavilion as expeditiously as possible.

Councilwoman Woykowski asked to see anticipated pension information for the year 2007. Manager Sheola stated that the pension bills have not been received yet; usually the Borough will receive them in September or October. Councilwoman Woykowski asked to see a list of anticipated expenses for the year 2007; specifically items that the Borough has anticipated spending money on in 2007. Councilwoman Woykowski also requested an itemized list of expenditures charged to the Redevelopment Fund.

Councilman Housel apologized to Kevin Shoudt from the Sewer Department for missing his report.

Councilman Buoye stated he was very happy to finally award the contract for the Downtown Streetscape Project. Councilman Buoye also recognized several members of the BID Board of Directors in the audience.

Mayor Van Deursen stated she was equally as happy to have awarded the Downtown Streetscape Project. She also informed Council that she attended the retirement dinner for Carol McNeil who was a librarian for Washington Public Library for many years. Mayor Van Deursen reported to Council on the repeated vandalism at the Washington Public Library; she asked if Council could have a report on the progress of the investigation. Manager Sheola informed council that the investigation is ongoing. Mayor Van Deursen asked Attorney Cushing and the Borough Engineer, Bob Miller for a status on the field. Borough Engineer, Bob Miller explained he is still waiting for the hard copy of the cut sheet from Centrex. Attorney Cushing suggested that a messenger be sent to pick up the information.

At this time Councilwoman Glaser made a motion to recess for five minutes, seconded by Councilman Turner.
