

Director's Report 8/27

Everything has been running smoothly with the pool season coming to a close and soccer season kicking off. A few different tasks have been completed within the past two weeks.

-Fields lined for soccer

The soccer fields have been prepped and lined for the upcoming season.

-New nets purchased

Two new nets had to be ordered for Vara field. The previous order from last year was only for one net and it was the incorrect size. New nets will be ordered to remedy the mix up.

-Park Maintenance

-The bank listed on the work order from the previous meeting has been taken care of

- Weed whacking around fence lines has been done and will continue to be done

-Stairs on play set painted

-There was a concern from a constituent about rust on the slide at the park. Maintenance took care of the issue and the rusted area has been painted.
