

**BOROUGH OF WASHINGTON,
WARREN COUNTY, NEW JERSEY
SHADE TREE COMMISSION AGENDA**

June 13, 2011

Minutes: Regular Meeting – May 10, 2011

Communications:

1. Tamke Tree Experts provided literature on their services for future reference.
2. Councilwoman, Jeanine Gleba posted a memo regarding a newly established ad-hoc sub-committee to review the Borough's Code Book for outdated information/ordinances etc.

Old Business

1. Maintenance of Cool Cities Community Grant trees
2. Covanta Tree Donations – Information on the possible tree donations offered by Covanta.
3. 30 West Stewart Street- Property Owner (John Maquire) requests that his r.o.w. Norway Maple be removed. Mr. Maquire recently hired a professional tree service to trim his side yard trees and they determined the Maple to be unhealthy.
4. Nelson Tree Service- Update on the progress of the JCP&L tree trimming.

New Business:

1. Storm damage from May 23rd resulted in professional tree service maintenance.
2. Storm damage from May 26 resulted in additional tree service maintenance.
3. 56 Grand Avenue – A dead tree was detected while inspecting a damaged Bradford Pear at 15 Grand Avenue.
4. Review the Shade Tree Commission's 2011 Budget after the storm damage maintenance work.
5. Wood Chips that are distributed at the Borough Park – Council requested information on the quality of the chippings that were donated by Sunshine Tree & Landscape and Nelson Tree Service.
6. 89 Carlton Avenue – Homeowners (Steven & Patricia Delguercio) inquired about the stumps that remain after Peterson & Sons removed their damaged tree on May 24th.
